Produced by Ali Shaheed Muhammad  
Album *Ambushed*

### WE RUN THINGS (IT'S LIKE THAT) LYRICS

#### [Hook]

Its like this y'all, Its like that y'all

We represent the hip hop, but not the rap y'all

Its like this y'all, Its like that y'all

We represent the hip hop, but not the rap y'all

Its like this y'all, Its like that y'all

We represent the hip hop, but not the rap y'all

Its like this y'all, Its like that y'all

We represent the hip hop

#### [Verse 1: Babe-B-Face Kaos]

Back in the days before I signed a line

When the babyface never got paid to rhyme

When Kane released Raw and everything was fine

Before the rap industry messed with my mind

I used to run to the jam snot nosed and all

Never tried to be hard, never tried to play the wall

MCs grab the mike tap the head and begin

#### "WE RUN THINGS (IT'S LIKE THAT)" TRACK INFO

Written By [\(Da\) Bush Babees & Ali Shaheed Muhammad](#)

Release Date December 6, 1994

Sampled In [Represent the Real by Das EFX \(Ft. KRS-One\)](#)

Flowed for four minutes then passed to the end

But nowadays cause rap pays

You got a million rappers and a thousand DJs

All wanna talk about how much they flip

Runnin off at the mouth so much ya tongue was

kicks

But thats aight, I represent the real hip hop

Because rappers just rap but MCs get props

And we run styles no styles no run we

Bush Babees run things represent who ya be

[Hook]

[Verse 2: Y-Tee]

Its a every style, nah gon live like people do

Now make a new style from run you

How does the Ambush crew a-pass through?

I make we tell them what fi do

Me say mercy, worse he

Bitter like circy

No have to bust a shot to make a next man hear  
me

Rush me, comin' from the music industry

Everybody wan fe be a bad man, them crazy

Easy

[?] an MC

A why do dem, a why do dem

Them would-a use we, nah just fe reach the top  
rung

But in the know we know we never sell out fe dem

They ask dem the question and its like them hear  
den

[Verse 3: Mr. Man]

Its been a while since you heard somebody rhyme  
like this

The fortified mental grimy that you can't dismiss

At the top of the list because the masses insist

Its a must that I create to elevate from the abyss

The mind must be nourished so the truth can  
flourish

As the rubbish is discourage by the explosional  
floodage

Of my verb as I infiltrate your state the least when  
the energy's released

You can tell its coming from the East

So cease with your ranting and your raving

And all the misbehaving that you claim with your  
name

In order to maintain

That status on the mike apparatus

Everybody wants to try to sound the phattest or the  
baddest

Thats not the case when your standing face to face  
in the place to be

With the face to see from inner space, so

Face the facts and tell truth to the nation

Mr. Man and thats my representation

This doesn't resemble "we can't stop" at all. I don't see any correlation besides it including humans and being a song.

Jazz music had a big influence in 80's and 90's hiphop big use of horns. The quality of beats declined in the mid 2000's. Hiphop died in 2005 at least in my opinion soon as the snap music/ autotune era took over. I BLAME artists/groups like: D4L, Dem Franchise Boyz, T-Pain etc. If you don't believe me do your own research. The quality was never the same beat wise, Read more

the second verse sounded so good and was original how a nice reggae hook was flowin' under the chorus,

We were spoiled back then to much originality, and sounding the same was scarce.now its embraced.
